

Dear Family:

A new school year has been launched! This year, I will be using a program called Foundations® to teach some important basics of reading and spelling. However, I am going to **need your help**.

We know that when a child has a “**Coach**” in addition to a classroom teacher, the child makes significant progress. We will work together as a “**team**” – I shall be the teacher, and you the coach.

I will do my best to provide you with the necessary tools to take on that role. I shall keep you informed of “what is happening” in the classroom and provide suggestions and a guide as to “what can be happening” at home.

I look forward to a very successful year as we work together with your child in **Foundations**. We will have fun teaching and helping your child build a strong foundation for literacy!

In the next letter, I shall share with you Unit 1 and its related activities.

Once again **thank you** for your interest and cooperation.

Sincerely,

You are likely wondering, “What is Foundations®?”

Research indicates that **systematic** and **explicit phonics instruction** is effective for all children. Foundations provides a systematic and explicit approach to reading and spelling with phonics. We will combine this instruction with the **reading of good literature**, which is just as important for your child’s development.

Foundations is systematic

because it follows a very definite sequence for teaching and it follows a very definite procedure to teach those concepts.

Foundations is explicit

because this program does not leave room for guessing. It teaches all concepts directly. The children will review letters and how to form these letters. They will learn sounds using keywords to help them remember. They will soon move on to blend the sounds into words.

As the year progresses, Foundations introduces many aspects of word structure and sentence structure. I shall be sending home guides and activities for all of this.

You are also probably wondering, “How can I become a successful “Coach” in this reading program?”

As a “Coach” you can:

- 1.** Read the Foundations letters that I send home. These letters will contain up-dates, program information, and activity suggestions.
- 2.** Set aside time to do the “home activities” with your child.
- 3.** Monitor your child's progress and share successes as well as concerns with me.

I feel certain that you will find working with your child in Foundations very rewarding. Your child will treasure your involvement!

Help Develop Oral Expression And Vocabulary

You can help your child develop **oral language** (the spoken word) with the following ideas. Do these anytime you are with your child:

1. Encourage your child to answer “wonder” statements.

Say such things as “I wonder why a dog barks.” Or say, “I wonder if Grandpa likes spinach.”

2. Help your child expand his/her vocabulary by rephrasing.

When your child says something such as, “He’s scared,” you could say, “Yes, the dog barks because he is frightened, you are correct!”

3. Ask open-ended questions.

Do not ask, “Are you raking leaves?” (The child would simply answer, “yes.”) Instead, ask, “What are you doing with your rake?” The child will answer you and then you can rephrase the answer to further develop vocabulary (see # 2).

4. Limit the amount of TV

However, if your child watches a children’s program, talk about it (see #'s 1, 2, 3).

5. Provide household props that encourage pretend play.

Use spoons/pans in the bathtub; cups/teapots/dolls; small rakes/shovels. While playing, be sure to talk through your actions (see #'s 1, 2, 3).

Verbally interacting with your child simply means taking every opportunity to talk with your child. With our busy lives, interactions between adults and children are often directive (“do this,” “do that,”) or negative (“stop hitting,” “don’t run.”) Try to break this pattern whenever possible. Both you and the child will have pleasant experiences and you will be helping to develop oral expression and vocabulary.

Dear Family:

We are now ready for you to be your child's Coach. If your child had Foundations® in Kindergarten, Unit 1 is mostly review and will go quickly. If your child did not have Foundations in Kindergarten, do not become discouraged with the pace of the progress. It may appear to be slow moving, but it is laying the necessary foundations for your child to be a fluent, independent reader.

During the next few weeks, I will be reviewing:

- The sequence of the alphabet.
- Letter formation from **a** to **z**.
- The letter name, a keyword and sound for the consonants:
b c d f g h j k l m n p q r s t v w x y z
- The letter name, a keyword and sound for the short vowels:
a e i o u

The keyword is a specific word which we will use to help your child master each sound. Notice the letter **y** is not included as a vowel. This comes later. If **y** begins a word it is considered a consonant and for now, it will only begin words.

Please work with your child to reinforce the above concepts. See the attached activity suggestions in order to do this. If you have any questions, please write them down and I shall get back to you.

WE ARE OFF!

Sincerely,

Review the Sequence of the Alphabet

Your child needs to be able to **say or sing the alphabet from A to Z**. Sing or say the alphabet whenever you can – in the car, bath time, bedtime, etc.

Make sure your child is aware of each letter! So often **“lmnop”** is lumped together and the child does not separate them.

If you have **magnetized plastic letters**, have your child place them on your refrigerator in sequence as he or she says the letter name.

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

You will find the **suggested books** listed below helpful at this time. They should be available at your local library.

Following this page, you will find the **alphabet order squares**. Have your child lightly color the vowels (**a e i o u**) orange. Keep one of the groups of squares uncut to use as the base and cut the second group into individual squares.

Have your child place the letters onto the matching letters on the uncut squares. Make sure your child says the name of the letter as it is placed. Keep these letters in a baggie to do this again and for other activities.

If you enjoy crafts, you could make a place mat and decorate it with one of the letter squares. Have your child place the cut letters on the place mat while waiting for supper.

Fundations® **Alphabet Order Squares**

Have your child lightly color the vowels (**a e i o u**) orange. Keep **this group of squares uncut** to use as the base. Have your child place the cut letters (from below) onto the matching letters on the uncut squares. Make sure your child says the name of the letter as it is placed.

Have your child lightly color the vowels (**a e i o u**) orange. **Cut this group into individual squares.** Keep these letters in a baggie to do this again and for other activities.

Review Letter Formations With Your Child

For the next three weeks, your child will practice writing the letters in **lower-case**.

Encourage correct pencil grip

Be sure your child has the pencil between the index finger and the thumb and then rests it on the other fingers.

When your child writes, both elbows should be on the table and feet should be on the floor, if possible. You can use an old box under the table if the table is too high. Also, have your child hold the paper with the non-writing hand.

Practice the letter formations

You can practice the letter formations at home just like we are practicing them in school. See the attached writing paper with pictures. We call this our **Writing Grid**. The pictures indicate the names of the lines: the **sky line**, **plane line**, **grass line** and **worm line**.

Say the verbal step-by-step guidelines while your child makes each letter.

As your child writes the letter, guide him or her by reading the directions on the enclosed **Letter Formation Guide**.

Practice some letters each night, as indicated below. Have your child write each of these letters five times on the Writing Grid. Each time, be sure that you read the step-by-step directions to guide the correct letter formation.

Dear Family:

I am now introducing Unit 2 in Foundations®. Your child is going to:

- Learn phonemic awareness skills.
- Blend, read, and spell short vowel words with three sounds.
- Learn or review six words by memory: **a, and, the, is, his, of**. These are called Trick Words because they cannot be sounded out. Instead, your child needs to learn these by memorizing them.
- Learn capitalization, punctuation, and word spacing for sentence dictation.
- Retell stories in detail and sequence.

It is important for your child to recognize and be able to hear and “move around” the beginning, ending and middle sounds of a word. As always **your help** is appreciated to keep your child on track. To help your child focus on sounds, you can play word games such as **“I’m Thinking of an Object”** and **“Change That Word.”** The directions are on the following pages.

Also, make flashcards on index cards for the Trick Words. Have your child read these quickly each night. Throughout the year, I will have you make more Trick Word flashcards to practice.

Remember to have FUN! Also, please write down any questions you might have, and I shall get back to you.

Sincerely,

This is Your Reference for Letter-Keyword-Sound

In addition to writing letters and knowing the letter name, your child is learning (or reviewing) the consonants and short vowel sounds using keywords.

Throughout the year I will send home more sounds for your child to learn.

In school, we do a daily drill practicing these sounds. Right now, we are doing the sounds listed on this sheet.

Your child keeps a notebook at school with these keyword pictures. During the year, whenever your child cannot think of the sound that a letter makes, ask him or her to look at the keyword picture. That is a hint for the sound. The sound is represented by a letter between / /.

For the letter **a**, we use the keyword **apple**. This word helps your child know the sound /ā/. Whenever we practice these sounds, we say the letter name, the keyword, then the sound:

a - apple - /ā/

Do not hesitate to use the vocabulary words, short vowels and consonants. Your child is aware of their meaning as I use these terms in class.

→ **Cut words into flashcards. 1.** Each night, help your child **read** all Trick Words. **2.** Have your child **trace** each new Trick Word with his or her finger and **spell** it aloud; and **3.** Cover up the Trick Word and have your child write it with his or her finger on the table while naming each letter.

Foundations® Wilson Writing Grid

Handwriting practice grid with 16 rows. Each row consists of four horizontal lines: a solid top line, a dashed middle line, a solid baseline, and a solid descender line. The rows are grouped into four sets of four. Each set begins with a small illustration: a cloud with a sun, a jet airplane, a train, and a lizard.

Please continue to practice the writing of the alphabet while you work on the new activities. You can make copies of this Writing Grid to use throughout the year, or you can laminate this sheet so that your child can use a thin dry-erase marker.

Do the “I’m Thinking Of An Object” Activity

Find and cut out pictures of various objects from a magazine.

Make sure that you choose items that will **not** confuse your child.

For example if you chose an elephant, your child might identify an **l** sound (which we write like this, /l/). If you chose an artichoke, your child might identify an **r** sound (which we write like this, /r/).

Examples of items that you might cut out:

dog	bed	cat
tomato	door	egg
man	ball	girl
hand	lady	cow
sun	doll	baby
bug	teeth	book

Beginning Sounds

Spread the pictures out on a surface and say “**I am thinking of something that starts with /d/.**” Be sure to give the **sound** of the letter and not the letter name. Your child finds a picture that starts with the sound.

Variation 1:

Have your child identify each item and place them in categories.

For example, have your child find all the items that begin with the sound of /b/.

Your child would find **bed, ball, baby, bug, and book.**

Variation 2:

Put the pictures in a bag. Have your child pick a picture out of the bag. Then she or he says the name of the picture and tells you its beginning sound.

When you say a consonant sound, try not to add an extra sound to it. For example, when you say the sound /m/, don’t say /mu/.

I feel certain you will find working with your child in Foundations® very rewarding. Your child will treasure your involvement!

Do the “Change The Word” Activity

Use the cut up letters from the Alphabet Sequence Activity from Unit 1.

Have your child match the letters to the uncut page. Then find the letters to make the word **fit**. Read the word and have your child repeat it after you.

Ask your child to change one sound for another. It is important to say the sound of the letter and **not** the letter name.

When you say the sound, try to “clip” it.

In other words, say /f/ not /fu/.

For example, you want your child to change the beginning sound. You say the word “**fit**” and your child repeats the word, “**fit**.”

Now you ask, “**Can you change the /f/ to /s/?**” Your child should exchange the letters to make the word, “**sit**.” Have your child read the new word (or read it for him or her).

BEGINNING SOUNDS (WEEK 1)

You Make And Read	You Say	Child Makes And Reads
fit	change /f/ to /s/	sit
map	change /m/ to /l/	lap
rag	change /r/ to /s/	sag
sat	change /s/ to /m/	mat

ENDING SOUNDS (WEEK 2)

You Make And Read	You Say	Child Makes And Reads
kit	change /t/ to /d/	kid
rag	change /g/ to /t/	rat
lap	change /p/ to /g/	lag
cap	change /p/ to /b/	cab

Dear Family:

The past few weeks have been busy ones! We have been working on three-sound words, and sentences as well as “trick” words. Thank you for working with your child. Your help reinforces what is being taught in school. Please continue your good work. We are about to begin Unit 3.

In class, I am working on **consonant digraphs**. A consonant digraph is two consonants together that make one sound such as “s” and “h” together make the sound of /**sh**/. Because a consonant digraph makes only **one sound**, they only get **one tap**. For example, the word “**sh o p**” has three taps even though there are four letters because there are only three sounds to the word.

I have been working on the following consonant digraphs:

sh - ship - /sh/

ch - chin - /ch/

ck - sock - /k/

wh - whistle - /w/

th - thumb - /th/

Your child knows that the sound /**k**/ at the end of a word is usually spelled with the letters “**ck**.”

Homework for the next two weeks will include these consonant digraphs as well as “**qu**” which is referred to as the “buddy letter” because “**q**” always has his buddy “**u**” right next to him in words in the English language.

Sincerely,

Suggested Reading

During the next few weeks, reading to your child at bedtime might be a good way of getting “settled” while at the same time accomplishing many benefits.

The following list of books are excellent ones to read aloud to a First Grade Student.

Reading aloud...

- familiarizes your child with concepts of print.
- builds your child’s vocabulary.
- introduces your child to different language patterns.
- identifies reading as a pleasurable activity.

Homework Guide

Review the **consonant digraphs** (**sh, ch, th, wh, ck**) and **buddy letter and his buddy** (**qu**), with your child during the next 2 weeks.

If your child gets stuck on a word, have your child look up the sounds in his or her notebook of sounds.

Follow These 4 Steps:

1. Dictate (say) the word and have your child echo the word.
2. Have your child tap out the sounds. Do not tap trick words (in bold).
3. Have your child tell you the letters that go with those sounds.
4. Have your child write the letters.

WEEK 1

Dictate the words and sentence to your child following the 4 steps listed above.

On Monday Dictate	Review Words	→	log	fog	sip
On Tuesday Dictate	Current Words	→	fish	math	chop
On Wednesday Dictate	Trick Words	→	as	has	into
On Thursday Dictate	Sentence	→	Which fish did Tom get?		

WEEK 2

Dictate the words and sentence to your child following the 4 steps listed above.

On Monday Dictate	Review Words	→	yet	tub	pat
On Tuesday Dictate	Current Words	→	ship	deck	quick
On Wednesday Dictate	Trick Words	→	we	he	be
On Thursday Dictate	Sentence	→	He is quick with math.		

Do the “Digraph Detective” Activity

Have your child read the following sentences.

Read these several times. There is no need to do this all at one sitting.

1. **Underline** all of the digraphs (**sh**, **ch**, **th**, **wh** and **ck**) in each sentence.
2. **Circle** the “buddy letters”, **qu**.
3. Have your child **write** the words with a digraph below each sentence.

Dear Family:

I am now working in Unit 4 of the Foundations® program. I am pleased with the progress and I hope you are as well.

In this section, I teach one of the first spelling rules. It is called the **Bonus Letter Rule**. To read the word **puff**, one would only need the letters **puf**. For the word **hill** only the letters **hil** are needed. For the word **kiss**, you only need **kis**.

However, in our language when a one syllable word ends in an **f**, **l**, or **s**, a second **f**, **l**, or **s** is added when spelling the word. We call this a bonus letter.

Your child will also learn the sound of **all** as in **ball**, **tall** and **wall**. (This sound is written like this: /**ól**/). When there is a bonus letter after the letter **a**, the sound of **a** changes.

Homework for the next two weeks will include these new concepts. Remember, write any questions you may have and I shall get back to you.

Sincerely,

Homework Guide

Review the **bonus letters** (f, l, and s) and the sound of **all** - /òl/ with your child during the next 2 weeks.

Practice will be to tap and spell (tap and write) the words. Only **sounds** are tapped, therefore the bonus letters **f, l,** and **s** are not tapped. Example: the word **miss** will only have three taps.

If your child forgets the bonus letter, you may cue him or her by asking, “**What does a small word ending in f, l, or s need?**”

Follow These 4 Steps:

1. Dictate the word and have your child echo the word.
2. Have your child tap out the sounds. Remember, do not tap trick words (in bold).
3. Have your child tell you the letters that go with those sounds.
4. Have your child write the letters. It is helpful if you say the letters as your child writes them.

WEEK 1

Dictate the words and sentence to your child following the 4 steps listed above.

On Monday Dictate	Review Words	→	rich	quit	pack
On Tuesday Dictate	Current Words	→	cuff	miss	pill
On Wednesday Dictate	Trick Words	→	you	they	I
On Thursday Dictate	Sentence	→	Chet will huff and puff up the hill.

Do the “Find Your Letters” Activity

Use the cut up letters from the “Alphabet Sequence” activity in Unit 1.

Have your child match the letters to the uncut page. Then tell your child a word to spell from the list below.

1. Dictate the word and have your child echo the word.
2. Have your child find the letters to spell the word.
3. Have your child point to each letter and spell the word.

Dear Family:

The concept in Unit 5 of Foundations® is one that your child should grasp quickly.

The sounds of the letters **m** and **n** come through the nose and because of this, the short vowel sound of **a** is somewhat distorted. Therefore, I teach the children that **/am/** as in **ham** and **/an/** as in **fan** are **glued** together because it is difficult to separate the **a** from the **m** or **n**.

The word **ham** will be tapped this way: **/h/** touching index finger to thumb; then the **/am/** touching middle finger and ring finger (glued together) to the thumb.

Make sure your child knows the letters, keyword, and sound for **am** and **an**.

Say the letters **a - m**, then the keyword **ham**, then the sound **/am/**.

Say the letters **a - n**, then the keyword **fan**, then the sound **/an/**.

The **all** sound from Unit 4 is also “glued” together. Be sure to keep the pictures for these sounds with all of the other Keyword Pictures.

Homework Guide

Review the **glued sounds**, /am/ (as in **ham**) and /an/ (as in **fan**), with your child during the next week.

Follow These 4 Steps:

1. Dictate the word and have your child echo the word.
2. Have your child tap out the sounds. Remember, /am/ and /an/ are “glued” sounds so they get one tap by

touching middle finger and ring finger to the thumb. Do not tap trick words (in bold).

3. Have your child tell you the letters that go with those sounds.
4. Have your child write the letters. It is helpful if you say the letters as your child writes them.

Green Eggs and Ham, by Dr. Seuss; Random House, 1960.

Do the Seek and Find Activity

1. Have your child **read** the sentences, scooping them into phrases.
2. Have your child **underline** the consonant digraphs.
3. Have your child draw a **box** around the glued sounds.

2. Underline **sh** in **shop**, **th** in **the**, and **th** in **with**.
3. Put a box around **an** in **can**, **an** in **fan**, **an** in **and**, **am** in **Sam**, **an** in **man**, **an** in **tan**, and **an** in **pan**.

Dear Family:

The newest concept that I am teaching the children is one they will use frequently, that of adding a **suffix** (which is an ending) to a **baseword**. For now, the only suffix I am working with is the suffix 's'. For example:

dog - add the suffix 's' = **dogs**

It is important that your child recognizes the suffix. As an exercise, in order to train the brain to separate the suffix **from** the baseword, have your child read the baseword and then say it with the suffix as follows:

pen - pens **map** - maps

To spell a word with a suffix ending, your child hears the entire word "**maps**", but then must be able to separate "**map**" from the suffix 's'.

Therefore, after repeating the word "**maps**" you may ask "**What is the baseword?**" Your child should answer "**map.**" Then tap out /m/ /a/ /p/, say the letters **m - a - p**, then add the suffix 's'. The suffix does not get tapped.

Note that sometimes the suffix 's' has the /z/ sound as in the word **bug** - bugs.

Sincerely,

Homework Guide

Review the **baseword and suffix** with your child during the next 3 weeks.

Follow These 4 Steps:

1. Dictate the entire word. Have your child echo the entire word.
Example: **"pins"**
2. Have your child separate the baseword from the suffix and tap

out the baseword. Child says, **"pins"** then, **"pin"** then taps out /p/ /i/ /n/. Do not tap the suffix.

3. Have your child tell you the letters that go with the sounds of the baseword.
4. Have your child write the baseword, then add **s**. It is helpful if you say the letters as your child writes them.

Dear Family:

In Unit 7, Foundations® introduces your child to additional **glued sounds**. Previously, the glued sounds of **all**, **am** and **an** were taught. A **glued sound** is one in which letters have their own sounds but they are difficult to separate. The glued sounds that will be introduced are:

Week 1

ang - fang - /ang/ **ing - ring - /ing/**
ong - song - /ong/ **ung - lung - /ung/**

Week 2

ank - bank - /ank/ **ink - pink - /ink/**

A word such as '**sink**' with the glued sound of **/ink/** will be tapped **/s/** (one tap) **/ink/** (one tap with three fingers glued together).

Dear Family:

This is a wonderful year of learning for your child. The help and support you have given are making a big difference.

We shall continue to work with short vowel words, however, we are now ready to add **consonant blends**.

A blend is two consonants together that each make a sound, as in the word "**s t o p**" - the /s/ and the /t/ each make a sound.

A blend is different from a digraph which has two letters but only one sound, such as in the word "**shop**" - the /sh/ makes only one sound.

Blends can come at the beginning of a word, such as "**s t o p**", or at the end of a word, like "**p e s t**."

Your child will learn a digraph blend. A digraph blend is a digraph blended with another consonant such as **n** and **ch** in the word **lunch**, or **sh** and **r** in the word **shred**.

I will also introduce the keywords and sounds for r-controlled vowels using an R-Controlled Vowels Poster. R-controlled vowel sounds are **ar** (as in "**car**"), **or**, **er**, **ir**, and **ur**. At this time, these sounds are introduced for reference when students are reading throughout the day. These sounds will be learned in more depth for both reading and spelling in Level 2. In the meantime, we will practice the sounds during our Drills Sounds/Warm Up activity in class.

Here we go!

Sincerely,

Homework Guide

3. Have your child tell you the letters that go with those sounds.
4. Have your child write the letters. Remember, it is helpful if you say the letters as your child writes.

Dear Family:

We are in Unit 10 of Foundations® already! Your child is now going to be working with **closed syllables** that have **five sounds**. These are words that usually have a blend (two consonants each with their own sound) at the beginning of the word and a blend at the end of the word. The word “**s l u m p**” is an example. The **sl** is a blend and the **mp** is a blend.

I will be adding the suffixes **s**, **ed**, and **ing** to these five sound words as well. Remember that your child should spell the base word first, then add the suffix ending.

Five sounds can be quite difficult to sound out, to read and to spell. I anticipate spending at least three weeks on this Unit.

I will also teach these vowel teams using the Vowel Teams poster: **oa**, **oe**, **ow**, **ou**, **oo**, **ue**, **ew**, **au**, and **aw**. Vowel teams are introduced for reference when students are reading throughout the day. These sounds will be learned in more depth for both reading and spelling in Level 2. In the meantime, we will practice the sounds during our Drills Sounds/Warm Up activity in class.

Do let me know if you have any questions.

Dear Family:

Unit 11 in Foundations® introduces a new syllable type. So far this year, I have been working with closed syllables. It is now time to talk about the **vowel-consonant-e** syllable type or “**v-e**” **syllable**.

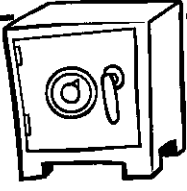

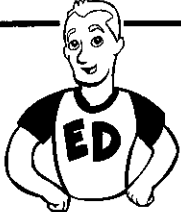

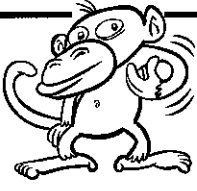

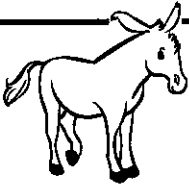

I demonstrate to the class how an ‘**e**’ at the end of a word changes the sound of the vowel in that word. For example, in the word **hop**, if you add an **e** the **o** will now say its name. The **o** will have the long vowel sound and the word will be **hope**.

I make sure the children know that the letter **e** does not have a sound - it just sits at the end of the word helping the other vowel to say its name. I will make a lot of examples such as **mat** to **mate**, **hop** to **hope**, and **cap** to **cape**. The key element here is to make sure your child is aware of the pattern of “v-e” (vowel-consonant-e).

Sincerely,

Fundations® **Vowels**

Vowel	Closed Syllable	Vowel-Consonant-e Syllable
a	 apple /ă/	 safe /ā/
e	 Ed /ĕ/	 Pete /ē/
i	 itch /ī/	 pine /ī/
o	 octopus /ō/	 home /ō/
u	 up /ū/	  mule /ū/ rule /ū/

→ Add this page to your child's notebook of sounds.

Homework Guide

Dear Family:

In Unit 12, Foundations® introduces students to words that have more than one syllable. I need you to encourage your child to **scoop** each syllable when the word is read. For example, scoop the word **napkin** into two syllables like this:

n a p k i n

This is key in teaching a child to break down a word into its parts.

I will be working on **multisyllabic words** for the next three weeks.

Some words will be compound words or words that are made up of two parts. Each part can be a word by itself, for example, in the word “**sunfish**” - **sun** is a word and **fish** is a word.

Then, I shall work with words that have two consonants between the two vowels such as in the word “**magnet**” and words with closed and vowel-consonant-e syllables combined, like “**reptile.**”

The spelling procedure used to teach multisyllabic words is very important. (See the next page for these instructions.) Yes, there are several steps, however each is important to help develop the skill of breaking a word down into its parts.

Once again **thank you** for all of your help.

Sincerely,

How to Teach Spelling of Multisyllabic Words

The spelling procedure used to teach **multisyllabic words** is very important. You may want to keep these directions handy while working with your child.

1. Hand your child two blank index cards (or any blank paper).
2. Dictate a word such as **sunfish**.
3. Have your child repeat the word and place a blank index card down for each syllable.
Your child says "**sun**" and puts down one blank card.
Your child says "**fish**" and puts down another blank card.
4. Next, have your child touch the first blank card and spell the first syllable **s - u - n**, then write the syllable saying the letters: "**s - u - n, sun.**"
5. Next, have your child touch the second blank card and spell the second syllable **f - i - s - h**, then write the syllable saying the letters: "**f - i - s - h, fish.**"

Remember to continue reading aloud to your child.

Reading can be hard work for a First Grader. Find some time just to read aloud to your child so that he or she realizes that reading can be for pleasure! Try the books listed below.

<i>Charlotte's Web</i>	White, E.B.	HarperCollins; 1974

Dear Family:

You and your child have been doing some wonderful work together.

In Unit 13 I am going to add one more **suffix ending** to words.

This time the suffix **'es'** will be added to the words. This suffix will be added to closed syllable words such as the word **"lunches."** The baseword is **lunch** and the suffix is **es**.

As a reminder: the procedure for reading the words **lunches** and **wishes** is to read the baseword first and then say it with the suffix as follows:

lunch - lunches

wish - wishes

To spell a word with a suffix ending, your child hears the entire word **lunches** but then must be able to separate **lunch** from the suffix **es**.

Therefore, after echoing the word **lunches** you may ask, **"What is the baseword?"** Your child should answer, **"lunch."** Then tap out /l/ /u/ /n/ /ch/, say the letters **l - u - n - c - h**, and add the suffix **'es'**.

I am planning to be in this Unit for three weeks. If you think your child needs more practice, do not be concerned, because Unit 14 reviews all the word structure and concepts we have learned; thus your child will be getting additional practice with these procedures.

Sincerely,

Homework Guide

Review the **closed syllable** baseword with the suffix endings of **'s'** and **'es'** with your child during the next 2 weeks.

3. Have your child tell you the letters that go with the sounds of the baseword.
4. Have your child write the letters of the baseword then add **es**. It is helpful if you say the letters as your child writes them.
